

American Nurses Foundation Scholars, 1955 – 2009

Aamodt, Agnes A. (1967)

University of Washington

The folk or popular system of health beliefs among the Papago Indians in southwest Arizona

Abdrbo, Amany (2006)

Case Western Reserve University

Factors affecting information systems use and its benefits and satisfaction among Ohio registered nurses

Abrams, Sarah Elise (1990)

University of California at San Francisco

In pursuit of charitable interest

Acton, Gayle J. (1996)

University of Texas, Austin

Self-transcendence in caregivers

Adams, Mary (1969-1970)

Case Western Reserve University

Exploration of illness crisis in the family of the aged

Adams, Phyllis (1999)

University of Texas at Arlington

Phenomenological Study: Persons with sickle cell disease

Adler, Patricia A. (2008)

Cleveland Clinic

Use of mindful movement in acute care for older adults

Alaniz, Karen (1993)

University of Minnesota

Self-efficacy asthma

Albert, Nancy M. (2008)

Cleveland Clinic

Fat storage (waist and hips) and knowledge, activity, and sodium and fat diets behaviors in patients

Albrecht, Susan A. (1993)

University of Pittsburgh

Smoking cessation for pregnant adolescents

Aleksandrowicz, Leah (1982)

Greater Baltimore Medical Center

Nursing care and DRGs: Implications for prospective reimbursement

Alexander, Sheila (2003)

University of Pittsburgh

Biomarkers to predict cerebral vasospasm after subarachnoid hemorrhage

Algase, Donna L. (1986)

University of Michigan

Prevalence and temporal pattern of wandering

Allan, Janet Davidson (1987)

University of Texas at Austin

Weight management patterns & processes among Black women

Altieri, Lauren B. (1999)

Pennsylvania State University

Gender differences in quality of life after CABG surgery

American Nurses Foundation Scholars, 1955 – 2009

Alt-White, Anna (1997)

Veterans Administration Medical Center, Washington, DC
Effect of research dilemmas on critical care nursing

Amertil, Ninon P. (1996)

University of Massachusetts at Amherst
Self-management in clients with sickle cell disease

Anderson, Cindi M. (2004)

University of North Dakota
Fetal growth restriction: Consequences for future development of hypertension

Anderson, Effie (1970)

Boston University
A proposed study of the effect of estrogen level upon cognitive behavior

Anderson, Gene Cranston (1983)

University of Florida
Have physicians and nurses signed living wills?

Anderson, Mary Ann (1992)

University of Illinois
Extended care referral after hospital discharge

Anderson, Ruth (1989)

University of Texas at Austin
Establishing validity and reliability of the nursing participation in decision-making (NP-DM)

Anderson, S. Elizabeth H. (1990)

University of Rochester
Stress and coping among persons with HIV disease

Anthony, Mary (1997)

Case Western Reserve University
A longitudinal study of patient involvement in discharge

Apostolakis, Ede (1983)

The John Hopkins University
Nursing procedures and CBF changes in premature infants

Armstrong, Deborah S. (2000) (STTI/ANF)

University of Kentucky
Anxiety and attachment in pregnancy after loss

Aroian, Karen J. (1987)

University of Washington
Migrant stressors and the role of social relationships

Ashizawa, Eiko A. (1983)

Garden Hospital Jerd Rehabilitation
Cost-effectiveness analysis : Screening and treatment

Audiss, Diane (1993)

University of Washington
Nursing approaches to rewarming postoperative women

Aydelotte, Myrtle K. & Price, James (1976)

University of Iowa
The determinants of nursing turnover

American Nurses Foundation Scholars, 1955 – 2009

Aydelotte, Myrtle K. (1962)

University of Iowa

The use of patient welfare as a criterion measure

Ayoola, Adejoke B. (2007)

Michigan State University

Timing of pregnancy recognition as a predictor prenatal care initiation and birth outcomes

Azzarello, Jo (2006)

University of Oklahoma

Problem solving skills and strategies for glycemic control

Babington, Lynn (2005)

Northeastern University

Understanding Dominican mothers' beliefs, knowledge and practices related to feeding infants and children

Bailey, Roger (1966)

University of Utah

University of Utah Research Conference on Architectural Psychology

Baird, Carol L. (1999)

Purdue University

Measurement of self-caring: women with osteoarthritis

Bakken, Suzanne Henry (1993)

University of California-San Francisco

Knowledge acquisition for expert system development

Banasik, Jacquelyn (1990)

Washington State University

Effect of position on O2 delivery in the critically ill

Barnason, Susan A. (2006)

University of Nebraska

Piloting of a medication education and decision-making (MED) intervention for elderly heart failure home health care patients

Barnes, Catherine Sellers (1993)

Medical College of Georgia Research Institute

Cohesion, adaptation and coping in hospice homecare families

Barnsteiner, Jane Herman (1983)

University of Michigan

Parental expectations for a child with a birth defect

Barr, Norma (1990)

Barnes Jewish Hospital

Effect of bedside computing on patient and nurse satisfaction

Barron, Cecilia R. (1983)

University of Wisconsin at Milwaukee

Women's attributions in divorce

Barstow, Ruth E. (1975)

University of California at San Francisco

Care for the caretakers

American Nurses Foundation Scholars, 1955 – 2009

Bascom, Carolyn (1969-1970)

Massachusetts General Hospital, Boston, Mass.
Nursing intervention in adaptation to stress following myocardial infarction

Basta, Susan M. (1990)

Ohio State University
Pressure sore prevention in the spinal cord-injured

Beaman, Margaret (1988)

Southern Illinois University
The Condom Attitude Scale: A Validation Study

Bechtel-Blackwell, Deborah (1999)

University of South Carolina
CASI and nutrition education in pregnant teens

Beck, Cornelia M. (1984)

University of Arkansas for Medical Sciences
Cognitive remediation with patients with Alzheimer's Disease

Beecroft, Pauline C. (1994)

Childrens Hospital of Los Angeles
Dilute heparin vs. saline and IV lock patency in children

Beery, Theresa (1996)

University of Cincinnati
Implanted devices: Women and pacemakers

Bender, Barbara (1964)

Yale University & West Virginia University
A test of the effect of nursing support on mothers in labor

Bender, Barbara (1963)

Yale University & West Virginia University, SON
Support for women in labor

Benkert, Ramona (2005)

Wayne State University
Cultural mistrust, racial identify, and patient satisfaction in urban African American primary care patients

Benne, Kenneth D. & Bennis, Warren (1956)

Boston University Graduate School, Boston, MA
The role of the nurse in the outpatient department

Berg, Judith A. (1995)

Planned Parenthood Alameda
Biobehavioral health in Pilipino American midlife women

Bernardo, Lisa Marie (1994)

Children's Hospital of Pittsburgh
Effect of normothermic and room temperature crystalloid fluid administration on temperature measurements in moderately and severely injured children

Bessent, Hattie

District of Columbia Nurses Association
American Nurses Foundation Project LEAD: Recruitment and retention of minorities in nursing

Beveridge, Phyllis (1994)

Boston College
Exercise and immune activation during Interferon-therapy

American Nurses Foundation Scholars, 1955 – 2009

Bidwell-Cerone, Sharon (1984)

University of Rochester
Biological-ecological correlates of human infanticide

Binzley, Veronica (1974)

Case Western Reserve University
Development of the cardiac and sucking components of the orienting response to speech sounds

Binzley, Veronica A. (1972)

Case Western Reserve University
Speech perception in neonates

Birnbaum, Mary Ann (1983)

Southern Illinois University
The experience of dieting

Bishop, Jennie L. (1975)

University of Maryland
The relationship of nurses' ideologies to membership and professional practice unit to activity in state nurses' associations

Blenner, Janet L. (1986)

San Diego State University & University of Texas at Austin
Stimulus Intensity Modulation: Scale development

Bliss, Donna Zimmaro (2000)

University of Minnesota
Skin problems in nursing home elders with incontinence

Bliss, Donna Zimmaro (1989) (ANF/STTI)

University of Pennsylvania
Dietary fiber and nitrogen excretion in renal failure

Bliss-Holtz, Jane (1989)

Rutgers University
Temperature relationships in cold-stress neonates

Blixen, Carol (1994) (STTI/ANF)

Case Western Reserve University
Arthritis and depression: Quality of life in Older Adults

Board, Rhonda M. (2000)

Northeastern University
School-age children's perceptions of PICU hospitalization

Boardman, Virginia (1980)

Case Western Reserve University
Analyze, revise, testa family competence tool

Bomar, Perri J. (1992)

University of San Diego
Health regimens of hypertensive African-American women

Boscham, Geertje (1994)

University of Pennsylvania
The history of mental health nursing in the Netherlands, 1890-1921

Bostrom Ezrati, Janet (1988)

Stanford University Hospital
Components and patterns of patient acuity

American Nurses Foundation Scholars, 1955 – 2009

Boyd, Mary Ann (1983)

University of South Carolina
Dieting behavior as a function of reactance

Boyd, Mary (1997)

University of South Carolina
Alcohol dependency in rural women

Braito, Rita M. (1967)

University of Washington
Conflict, legitimation, and forms of protest

Brallier, Mary (1988)

University of Florida
Concept and theory development in nursing administration

Bramlett, Martha (1989)

Medical College of Georgia
Power, creativity and reminiscence in the elderly

Branstetter, Ellamae (1966-1967)

University of Chicago
Separation anxiety in hospitalized children; comparison of three conditions of separation from mothering

Braun, Lynne T. (1987)

University of Illinois at Chicago
Indicators of sympathetic nervous system (SNS) hyperactivity in hypertensives

Breakey, Suellen (2000)

Boston College
Nurses participation in life sustaining treatment decisions

Breedlove, Ginger K. (1999)

University of Missouri-Kansas City
Utilization of a Doula intervention in teen pregnancy

Brice, Linda (2001)

University of South Florida Research Institute
Relationship of reproductive tract infections to the risk factors and complications of preterm low birth rate babies

Bricker, Patricia L. (1993)

University of Pittsburgh
Social support and psychophysiologic responses among widows

Broadhurst, Jeanne (1956-1959)

International project: ANF Monograph: Results of a 5-year study of the experiences of exchange nursing in the US funded by 3 one-year grants \$27,000 from the Rockefeller Foundation

Broome, Betty (1989)

San Diego State University and University of Texas at Austin
The impact of marital quality on parental sensitivity

Brooten, Dorothy (1981)

University of Pennsylvania
High caffeine intake and pregnancy outcomes

Brown, Carolyn & Hoover Papes, Kathleen (1996)

Barry University
Nurses' health and health-being in restructured health care

Brown, Marie A. (1983)

University of Washington
Individual and family impact of pre-menstrual syndrome

American Nurses Foundation Scholars, 1955 – 2009

Brown, Sharon Ann (1986)

University of Texas at Austin

The effects of educational interventions on knowledge, self-care behaviors, and metabolic control in diabetic adults: A meta-analysis of findings.

Bruno, Pauline (1970)

University of California at Los Angeles

Effect of Intermittent Potental Pressures of varying duration on Selected Human tissues

Buccheri, Robin Kay (1998)

University of San Francisco

Behavioral management of auditory hallucinations

Buck, Joy (2006)

University of Pennsylvania

Setting the standard for specialization in hospice and palliative nursing 1985-2006

Budd, Karen Walton (1986)

Kent State University

Preterm delivery: Predictors Beyond the SES

Budin, Wendy C. (1994)

New York University

Psychosocial adjustment to breast cancer in unmarried women

Bueno, Maureen (1991)

Rutgers, The State University of New Jersey

The effects of appraisal, coping & post-traumatic stress disorder in drivers and passengers injured in motor vehicle crashes

Bunting, Sheila McGuire (1994)

University of Tennessee at Memphis

Healthcare experiences of perinatal women with HIV

Burckhardt, Carol (1984)

Oregon Health Sciences University

Assessing physical fitness in women in rheumatic disease

Burgess, Audrey L. (1967)

State University of New York at Buffalo

Heart rate changes in adults related to the introduction of auditory stimuli

Burke, Lora E. (1995)

University of Pittsburgh

Enhancing self-efficacy to improve diet adherence

Burke, Mary M. (1987)

Catholic University of America

Elderly osteoarthritic women

Burke, Pamela (1988)

Boston College

A study of the relationship of between social support and stress for adolescent mothers

Burns, Candace M. (1994)

University of South Florida

Health promoting behaviors in nurses

American Nurses Foundation Scholars, 1955 – 2009

Burns, Ellen M. (1982)

Fulton-Montgomery Community College, Johnstown, NY
Oral history: Professionalization of nursing

Burns, Sr. Mary Elizabeth (1973)

St. Louis University
Norepinephrine and ontogenesis of synaptic structure

Burriss, Rebecca F. (1999)

University of Arkansas for Medical Sciences
Reversal theory and adolescent smoking cessation

Buschmann, Mary Beth T. (1976)

University of Illinois
Amino acid uptake in young, adult, and aged neurons and glia

Butchko-Kerr, Rita (1989)

Ohio State University
Factors influencing adult grief after a parent's death

Cahill, Cheryl A. (1982)

Massachusetts General Hospital Graduate Program
Beta-endorphin, analgesia and stress changes in laboring women

Caldwell, Barbara (2005)

University of Medicine and Dentistry of New Jersey
Maternal stress and sleep in preschool children: A pilot study

Calico, Patricia A. (1994)

University of Kentucky
Elder-caregiving relationships in Appalachia

Callen, Bonnie L. (2007)

University of Tennessee at Knoxville

Nutritional risk factors as predictors of weight loss in community dwelling elders

Campbell, Cathy (2006)

University of Virginia
Factors influencing adult end-of-life decision making by elderly African-Americans

Campesino, Maureen (2006)

Arizona State University
Exploring perceived racial/ethnic discrimination in cancer care delivery among elderly Mexican Americans

Capezuti, Elizabeth (1997)

University of Pennsylvania
Individualized interventions to reduce siderail use

Carpenter, Martha (1989)

University of Iowa
Men professionals and their HIV identities

Carr, Jeanine M. (1998) (STTI/ANF)

University of Vermont
Family vigilance during the cancer experience

Cason, Carolyn (1987)

University of Arkansas for Medical Sciences
Backrest position for pulmonary artery measurement

Carter, Melba C. (1980)

American Nurses Foundation Scholars, 1955 – 2009

University of Kansas
Parental Stressor Scale: Pediatric ICU

Caruthers, Donna D. (1998)

University of Pittsburgh
Characteristics of hospitalized smokers

Cassata, Linda C. (2001)

University of Illinois at Chicago
Challenges, barriers, and opportunities: Nursing care with child bearing adolescents

Catanzaro, Marcie-Lee (1986)

University of Washington
Role identity and chronic illness during midlife

Catlin, Anita Joy (1999)

Napa Valley College
Creation of neonatal comfort care protocol

Chang, Yun Kyung (2006)

University of North Carolina at Chapel Hill
Testing a theoretical model for severe medication errors

Chapman, Jacqueline Sue (1969)

Case Western Reserve University
Effects of different nursing approaches upon psychological and physiological responses of patients

Charles, Bashira (2006)

University of Pittsburgh
Genes implicated in time to onset and severity of diabetic retinopathy

Chavigny, Katherine Hill (1980)

Portland State University
Assessment of the impact of primary nursing care at Vancouver Veterans Center

Cheek, Rita E. (2003)

Montana State University
Feasibility of methods for evaluation naps for nurses working night shift

Chen, Angela Chia-Chen (2005)

Arizona State University
Understanding Chinese immigrant youth: Depressive symptoms and risky behavior

Cherrington, Candace (2005)

Wright State University
Illness representation in acute coronary syndrome

Chiverton, Patricia A. (1985)

University of Rochester
Alzheimer's Disease: Education to improve family coping

Cho, Eunhee (2004)

University of Pennsylvania
The effects of informal caregivers on the outcomes of older adults receiving home health care

Christ, Edwin A. (1955)

American Nurses Foundation Scholars, 1955 – 2009

University of Missouri
A study of practical nursing

Christman, Norma J. (1985)

University of Kentucky Dept of Behavioral Science, College of
Medicine
Uncertainty and adjustment during radiation therapy

Christopherson, Dianne J. (1993)

University of Michigan
Effect of weightload on walking in middle-aged women

Christopherson Yates, Bernice (1989)

Oklahoma Health Sciences Center
Stress and social support during illness recovery

Chubon, Sandra J. (1990)

University of South Carolina
Home care nurses' experiences with AIDS patients

Cipriano, Pamela (1992)

Medical University of South Carolina
Compensation of hospital staff nurses 1960-1990

Citrin, Luanne (1987)

New York University Medical Center- Rusk Institute
Identifying patient fall-risk factors: A replication

Citron, Doris (1967)

Mount Sinai Hospital, New York
Development of instruments for use solving covert problems: a
learning experience for nursing service

Clark, Sharon R. (1984)

The Oregon Health Science University
Assessing physical fitness in women in rheumatic disease

Clarke, Pamela N. (1985)

University of Wyoming
Views of early and late initiators of prenatal care

Clayton, Margaret F. (2004)

University of North Carolina at Chapel Hill
Communication in breast cancer survivors

Cleland, Virginia (1984)

Wayne State University
External collection device for women

Cloonan, Patricia A. (1994)

Georgetown University
Readmission among pediatric home care patients

Cody, William K. (1994)

University of North Carolina at Charlotte
The grieving of HIV-positive drug injectors

Coffman, Maren J. (2007)

University of North Carolina at Charlotte
Development and testing of the Nutritional Literacy Scale

Coffman, Sherrilyn (1992)

Florida Atlantic University
Nurse and family experience in home care

Cohen, Marsha H. (1992) (STTI/ANF)

American Nurses Foundation Scholars, 1955 – 2009

Wayne State University
Technology dependent children: Transition home

Cole, Frank L. (1991)

Southeastern Massachusetts University
AIDS: A model of protective behaviors

Collins, Clare E. (1985)

Michigan State University
Promoting positive well-being in employed mothers

Collins, Eileen G. (1994)

Chicago Association for Research and Education in Science
Impact of heart transplant on spouses

Collins, Rosemary J. (1984)

University of Pennsylvania
Attributional style and depression in the elderly

Collopy, Kate (2001)

University of New Hampshire
Women's decision-making regarding multifetal reduction

Constantin, Carolyn (2001)

Emory University
Antigen-specific memory CD8-T-cell response during pregnancy

Coon, Elizabeth A. (1983)

University of Kansas
Evaluating self-care in a children's diabetic clinic

Coon, Sharon (2001)

University of Arkansas for Medical Sciences
Exercise as an intervention for cancer related fatigue: the subject's view

Corbett, Cynthia L. (1994)

Loyola University-Chicago
Predictors and outcomes of home care for diabetics

Corbett, Robin Webb (1993)

East Carolina University
Selected pregnancy variables and infant birthweight

Corte, Colleen (2001)

University of Michigan
Role of the self-concept in alcohol abuse, dependence and recovery

Costa, Kathleen M. (1986)

University of Maryland
A comparison of colony counts of breast milk utilizing two methods of breast cleansing

Cotanch, Patricia H. (1980)

Duke University
Relaxation training to decrease averseness to chemotherapy

Courtney, Gladys A. (1971)

University of Illinois at the Medical Center
Relationship of adrenal cortex to ovarian function

Cox, Deanna Langston (1996)

American Nurses Foundation Scholars, 1955 – 2009

University of South Carolina
Job satisfaction: Primary care nurse practitioners

Crane, Patricia (2001)

University of North Carolina at Greensboro
Symptoms in older women after myocardial infarction

Crawford Shearer, Nelma Beth (2002)

Arizona State University
The voice of homebound older women

Crogan, Neva (1997) (ANF/STTI)

Washington State University
Barriers to nutrition care for nursing home residents

Crosby, Frances E. (1998)

Niagara University
Pre-admission characteristics of NP students

Cuaderes, Elena (1999)

University of Oklahoma
Leisure-time physical activity in adult NA women

Curran, Mary Alice (1974)

Case Western Reserve University
Auditory discrimination of heart sounds and murmurs

Dalton, JoAnn (1987)

University of North Carolina at Chapel Hill/University of Rochester
Medical Center
Biobehavioral factors in pain

Di Angi, Paulette (1987)

Hamot Community Medical Center
Nursing decentralization-contingency model of assessment

D'Antonio, Patricia O'Brien (1987)

University of Pennsylvania
Ideals and reality: A historical study of nursing care

Davis, Gail C. (2003)

Texas Women's University
A bone health educational intervention for older adults in
residential settings

Davis, Gail (1988)

Texas Christian University/Harris Methodist Fort Worth
Satisfaction with professional nursing practice

Davitz, Lois A. & Sameshima, Yasuko (1975)

Columbia University
Black and white nurses: Inferences of suffering

Davitz, Lois A. (1975-1976)

Columbia University
Matching Grant from US Dept of State to develop International
Communications Network: Cross cultural study of nursing in
10 countries

Deiriggi, Pamela M. (1990)

West Virginia University
The effect of waterbeds on heart rate in preterm infants

Deitrick, Lynn M. (2006)

American Nurses Foundation Scholars, 1955 – 2009

Lehigh Valley Hospital and Health Network
The 'Dance' continues... Evaluating differences in call bell use
between patients in private rooms versus patients in double
rooms

Delaney, Connie (1990)

University of Iowa
Validation of nursing diagnoses using computerized nursing
minimum data set (NMDS)

DeLetter, Mary C. (1993)

University of Kentucky
Quality of life and chronic airflow limitation

Demi, Alice S. (1985)

Medical College of Georgia
Relationship of parental grief to sibling grief

Demott, Mary (2001)

Syracuse Healthy Start
Effective elements of prenatal care: The role of BV screening and
treatment

Denham, Sharon A. (1996)

University of Alabama at Birmingham
Family health during transitional change

Dennis, Karen E. (1986)

University of Maryland
Control preference and intervention congruence

DePase, Rita (1988)

University of Alaska/Bethel Public Health Service Hospital
Rural Alaskan students' attitudes toward nursing

Deutsch, Elizabeth (1983)

Northwestern University
Reproductive healthcare behaviors of Laotian refugee women

Deutscher, Irwin (1955)

Institute of Community Services, Kansas City, MO
A survey of the social and occupational characteristics of a
metropolitan nurse complement

Dickey, Susan (1989)

University of Pennsylvania
Formal operations, puberty and informed decisions

Dickmann, Jana (1989)

University of Pennsylvania
Caring for the chronically ill

DiLeo, Holly (2001)

University of Texas Health Science Center
Toddler & Preschool sleep problems screening tool

DiMaria-Ghalili, Rosa Ann (2003)

West Virginia University
An exploration of recovery in off-pump CABG patients

Dirksen, Shannon Ruff (1992)

Washington State University
Psychosocial adjustment to breast cancer

Doswell, Willa M. (1991)

American Nurses Foundation Scholars, 1955 – 2009

University of Pittsburgh
Effects of swaddling on crack-exposed neonates

Doswell, Willa (1979)

New York University
Repression, sensitization in a comparison of blood pressure
between blacks and whites

Dougherty, Mollie C. (1982)

University of North Carolina at Chapel Hill
Pubococcygeous muscle (PM) - Instrument development

Drauker, Claire Burke (1991)

Kent State University
A coping model: Adult survivors of incest

Dreier, Wilhelmina, Golden, Fay & Johnson, Helen (1977)

University of Arizona Health Science Center
The effectiveness of pediatric nurses associated with teaching of
medical students in an ambulatory setting

Driessnack, Martha (2007)

University of Iowa
Exploring what children know about genetics

Drew, Judith C. (1993)

University of Texas Medical Branch-Galveston
Minority caregivers: Lay perspectives of dementia care

Droessler, Sr. Dorothy (1984)

Avalon Center, AWaukesha
Urinary incontinence diagnoses and managed by nurses

Duffy, Diane M. (1985)

University of Minnesota
Roles of ethnicity and public policy in health and fitness

Duke, Gloria J. (2008)

The University of Texas at Tyler
Transcultural perspectives of end-of-life care

Dulock, Helen Louise (1985)

University of California at San Francisco
Arousal response and arousal threshold in relation to respiratory
events in prematures

Dunn, Joan Dolce (1984-1985)

Niagra University
Effect of education on documentation of nursing diagnoses

Durand, Barbara A. (1984)

University of California at San Francisco
Theory/practice relations in the nursing faculty context

Dwyer, Maureen (1999)

University of Cincinnati
Nurses' experiences with patients and end-of-life decisions

Dylis, Ann M. (2004)

Northeastern University
Voices of parents of children with neurofibromatosis (NF):
Experiences at diagnosis and with health care providers: A
mixed-method study

Edenfield, Sandra M. (1993)

American Nurses Foundation Scholars, 1955 – 2009

Medical College of Georgia
Postpartum appointment keeping behaviors

Edmonds, Joyce Katherine (2008)

Emory University
Social networks and use of skilled birth attendants to prevent maternal mortality

Edwards, Lienne (1989)

University of North Carolina at Charlotte
Determinants of competent parenting by the fathers of infants

Eldredge, Deborah (1997)

University of Rochester
Attachment in critical care: Reducing spouses' distress

Elwood, Evelyn (1965)

New York University, New York, NY
To assess physiologic responses to specific breathing exercise practice in hospitalized patients with chronic obstructive pulmonary disease

Emge, Gina (1999)

The Children's Hospital of Philadelphia
Pediatric Professional's decision making at the end of life

Engelhardt, Kay F. (1996)

University of Tennessee at Memphis
The effect of sex steroids and autonomic function

England, Margaret (1989)

Case Western Reserve University
Reliability of adult offspring caregiver plans

Enriquez, Maithe (2003)

University of Missouri-Kansas City
An intervention to enhance readiness for adherence

Epstein, Carol Diane (1999)

Case Western Reserve University
Mechanical ventilation in elderly critically ill patients: A pilot study

Erickson, Margaret (1997)

University of Texas at Austin
Maternal attachment in adolescent mothers

Evanson, Tracy A. (2006)

University of North Dakota
Domestic violence victims' perspectives of community health nurses' care

Ewing, Danita (2005)

Oregon Health Sciences University
Medication adherence by hematopoietic stem cell transplant recipients and their family caregivers

Fairbanks, Jane (1975)

University of Wyoming
Staffing a primary nursing unit

Fairman, Julie (1990)

University of Pennsylvania

American Nurses Foundation Scholars, 1955 – 2009

New nurses, new spaces: History of intensive care units, 1955-1964

Farrell, Sarah (2002)

University of Virginia

Web technology for persons with serious mental illness

Fazzone, Patricia A. (1995)

Kansas University Medical Center School of Nursing

Perceived personal safety risks in home health and their possible impact on patient care

Feinberg, Emily (2003)

Boston University

Child feeding practices and obesity among children of African descent

Feinstein, Nancy Fischbeck (1998)

University of Rochester

Maternal coping with preterm labor: An intervention

Fenn, Margaret (1963)

Washington State Health Department

Expectations of administrators, staff and patients in 4 nursing homes in King County, Washington

Ferrans, Carol E. (1984)

University of Illinois

Measurement of quality of life of hemodialysis patients

Field Brown, Jennifer (2007)

Virginia Commonwealth University

An examination of emergency department pediatric, psychiatric services structure, process and outcomes

Finch, Linda (2004)

University of Memphis

Toward an understanding of caring in nursing practice: A grounded theory approach

Fisher, Anastasia (2006)

University of San Diego

Impact of co-payment policies on women's access to health care in jails/prisons

Fishwick, Nancy J. (1999)

University of Maine

Rural women's disclosure of abusive relationships

Fitzpatrick, Annie (2007)

Emory University

Glutathione homeostasis in children with severe asthma

Flaskerud, Jacquelyn H. (1981)

UCLA School of Nursing

Minority group perceptions of problematic behavior

Fleming, Juanita W. (1970)

University of Kentucky

Understanding hospitalized children through drawings

Flynn, Beverly C. (1981)

Indiana University

American Nurses Foundation Scholars, 1955 – 2009

Primary health care: A research network

Flynn, Linda (2001)

University of Pennsylvania

Magnet home care: Perceptions of staff nurses (Phase II)

Fogel, Catherine Ingram (1984)

University of North Carolina at Chapel Hill

The health status of incarcerated women

Fogel, Catherine Ingram (1993)

University of North Carolina at Chapel Hill

Pregnant prisoners and their progeny

Foley, Marie (2002)

New York University

The relationship between attention deficit hyperactivity disorder

Foreman, Alice (1962)

American College of Nurse Midwives

Utilization of research findings in improvement of nursing care of aging

Foreman, Marquis (1988)

University of Illinois

The meaning and experience of confusion

Forrer, Raymond (1958)

Connecticut State Dept of Mental Health

The adjustment of student nurses to a psychiatric affiliation

Forrer, Raymond (1956)

Connecticut State Dept of Mental Health

A study of the relationship of patient improvement to the use of available psychiatric nursing service time for direct care in a progressive service setting

Foster, Mary Jane (1970)

New York University

An investigation of the relationship between developmental factors and the presence or absence of drooling among three to five year olds with mental retardation

Foster, Roxie (2002)

University of Colorado Health Sciences Center

Piloting an attending nurses caring model with children in pain

Founds, Sandra A. (2007)

University of Pittsburgh
